

INVITATION TO TENDER

The Trinidad and Tobago Housing Development Corporation (HDC) is responsible for the provision of affordable and accessible housing through the creation of sustainable self-contained developments on Green Field sites across the country. The developments are intended to provide residential units, services, employment opportunities, recreational facilities and other civic amenities.

The Trinidad and Tobago Housing Development Corporation Construction Company Limited is desirous of engaging suitably qualified and competent Companies to participate in the following Tenders:

- **Design-Build Services for the Water Storage and Distribution System at the HDC's Bon-Air North Housing Development, Arouca**
- **Design-Build Services for Infrastructure Works, Phase 3 at the HDC's Bon-Air North Housing Development, Arouca**
- **Design Build Services at the HDC's La Culebra, Arima**

Instructions for registration on e-Tender Portal

The tender process for these works will be conducted via the HDC's online e-Tender system. Interested contractors can visit <https://hdc.etenderworld.tt/login.php> to register.

Instructions for registration with the Office of Procurement Regulation

The HDC and its subsidiaries advises the public that, any party seeking to provide goods, works and services to the HDC and its subsidiaries must be registered with the Procurement Depository of Trinidad and Tobago, as established by the Office of Procurement Regulation (OPR).
