Water Repairs Embacadare, San Fernando

Dear Residents,

The Trinidad and Tobago Housing Development Corporation (HDC) is aware of the water issues affecting tenants at the Embacadere Housing Community.

Representatives from the Water and Sewage Authority (WASA) will be deployed to the site tomorrow, Friday, June 7, 2024 to begin the repairs. It is expected that repairs will be completed within two days.

The HDC apologises for any inconvenience caused and asks for your patience as we work together with WASA to return a normal water supply to your community.
